

Sponsor a Child *this* Christmas and Build a *Life*

It's the most perfect gift you can give: hope and a future for a child with nothing.

For just pennies a day, with 100% of your funds going to directly help the children, you can sponsor a child in the African village of Kamuli, Uganda. These children are orphans with no food, clothing or possessions, yet they work hard in school and believe that a better future lies ahead of them. You can make it possible! Administration costs are covered by an anonymous donor, so your total gift goes directly to the children. Just \$30 a month changes a life.
